ABOUT

My career spans over a decade, beginning in graphic design and evolving into software engineering. This unique combination of skills allows me to create both visually appealing and technically effective solutions. I focus on enhancing user experiences through thoughtful design and robust development, ready to contribute in dynamic tech environments.

SKILLS

Python | **JavaScript** | **Typescript** | HTML | CSS | SMIL | Node.js | React | Flask | Linux | SQL, SQLite | MongoDB | PostgreSQL | Computer Animation | Figma

PROFESSIONAL EXPERIENCE

Aurelic Studios | StoriBoard September 2023 - Present

UI/UX Designer

- Lead designer for interactive SVG animations on high-impact projects, enhancing user engagement through visually compelling and technically advanced graphical interfaces.

Dreamy Vegan February 2022 - August 2023

Web Developer

- Engineered and launched a complete e-commerce platform, integrating custom graphic designs with seamless backend functionality to support user interactions and transactions.

CypherCon | Philipa Legal Tech | ACL | Iron Group | Haulix December 2014 - October 2022

Graphic Designer

- Achieved industry recognition with multiple awards nominations, demonstrating exceptional skill in creating high-impact visual content and enhancing brand visibility across diverse digital platforms.
- Managed multiple project timelines and coordinated with cross-functional teams to deliver compelling graphic solutions tailored to each brand's needs.
- Utilized Adobe Suite to create dynamic illustrations and animations, enhancing web interactivity and pioneering SVG animations for advanced visual storytelling.

EDUCATION

Masterschool 2024

Software Engineering

- Participated in an immersive one-year online software engineering training program.
- Skills acquired in Python, Web Applications, OOP, Databases, SQL, Linux, Flask, HTML, CSS, Docker, Cloud

TreeHouse 2018

Web Development

- Pro-efficiency in HTML, CSS and Javascript as well as web design principles

Universidade Aberta 2015

M.S. Computer Graphics

Universidade do Porto 2008

B.A. Graphic Design
